About

Frequently Asked Questions

Q : When are financial aid refunds processed?
A: Financial aid refunds are processed after the appropriate semester's disbursement date. The disbursement date is when Point Park receives the actual financial aid money from the federal government or the bank. By federal law, Point Park University has 10 business days to issue a credit balance generated by federal funds. All refund checks are mailed to the current address on the student account statement.
For more frequently asked questions - click here.

Important Policy Information

It is the students responsibility to stay informed on all policy changes and updates related to your account. Click here to review the most recent information.

Federal Workstudy Program

Contact Information

Joan Dristas, student employment coordinator

Email: jdristas@pointpark.edu

Office Phone: 412-392-4782

Office: 210 Thayer Hall

Program Information

The Federal Work-study Program is coordinated through the Human Resources Office.

You must be eligible for Federal Work-study in order to apply for a position. Positions are limited and are not guaranteed employment. An email will be sent to those students who are eligible from the Financial Aid Office and then will be followed by another email from the Human Resource Office with details on how to apply for a position. The application process will not start until the first week of classes.

Thank you for your interest in the work-study program and please check your email frequently for updated information.
