

# POINT PARK UNIVERSITY

## Bookstore Charge Authorization

I authorize Point Park University to use my financial aid credit balance, which may include Title IV aid, to pay for my books and supplies purchased at the University's bookstore or through the University's bookstore website. Title IV financial aid includes federal student loans and grants. I understand that if I withdraw, drop or abandon my classes, this does not negate my responsibility to pay these charges. I further understand that using my credit balance to purchase books and supplies will reduce the amount of my refund check.

I acknowledge that this purchase will be posted as a charge on my student account.
