NOTE: If you transferred in a course, you will not be registered for that course with your cohort. Your schedule may be open for that eight-week subterm. Students with transfer credits will be notified and will be able to view those credits on Pointweb once paperwork has been processed by our Registrar.

To see exact dates for each subterm through 2026, please click here:
<http://www.pointpark.edu/Calendar/AcademicCalendar>. Refer to the "8 Week
Online/Evening/Saturday" dates.

Course titles and descriptions may be viewed on [Pointweb](#).

IMPORTANT: Cohort students **cannot** register themselves. You will be batch-registered for your first two terms by Point Park's Office of Graduate and Online Admissions once the cohort has been formed. You will receive confirmation with new student information at that time. The School of Education will register you for all future semesters; check Pointweb to see your schedule each semester.

*NOTE: Course sequences are subject to change.
