

The federal verification process requires a review of your 2025-2026 Free Application for Federal Student Aid (FAFSA). There are different methods you can access to obtain the 2023 required IRS Tax Return and applicable IRS schedules. The recommended way to provide accurate 2023 IRS tax information would be by utilizing the FUTURE ACT Direct Data Exchange (FADDX) on your FAFSA using the instructions below:

- Income can be verified by going to www.studentaid.gov and logging in to your FAFSA. Utilizing the FADDX process will retrieve your 2023 IRS Tax Return information.
- After successful transfer, go to SIGN & SUBMIT tab/agree to terms. Click SUBMIT MY FAFSA. **This process will generate an updated FAFSA to Point Park University. As a result of using the FADDX successfully, the IRS tax return will not be required. For web assistance from FAFSA, please call 1-800-433-3243.**

INSTRUCTIONS - IF UNABLE TO USE THE FADDX TOOL – TELEPHONE REQUEST

- Tax filers can request a **2023 TAX RETURN TRANSCRIPT, (Do not request tax account transcript)**, free of charge, from the IRS by calling 1-800-908-9946. Information needed would be tax filer's social security number, date of birth, street address, and zip code.
